

Tower Adapters

Keg Foot Prints
Direct Draw Dispensers
 The Footprint of a keg is the amount of space it occupies when compared to the available storage space.

- Approximate Keg Diameters
- 1/6.....9-10"
 - 1/4 Slim.....10-11"
 - 1/4 Standard.....16-17"
 - 1/2.....16-17"

Note: A drill bit and 3 screws are included with each adapter for use only with 3" metal towers. Order faucet and hose separately.

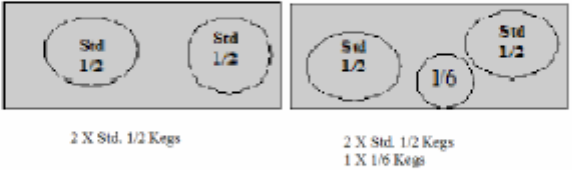

Add a 1/6th keg to any direct draw dispenser and increase revenues
